About Personal Accident Insurance

Personal Accident Insurance or PA Insurance is an annual policy which AERA members can purchase at a group discounted price.

This cover is different from life insurance, health insurance and workers compensation. It is designed to *provide compensation in the event of injuries, disability or death caused solely whilst actually engaged in non income earning and/or recreational equestrian activities including practicing and training for equestrian events.* This is a 24 hours a day / 7 day a week cover. It is not provided to any day, associate or international members.

Horse riding is a dangerous activity and here are some key stats indicating injuries sustained to AERA members who have taken out Personal Accident Insurance through AERA.

- > Over 40 personal accident claims in the past 6 years total approximately \$250,000
- > Over 70% of claims incurred are from incidents whilst training
- > Over 60% of claim incidents have occurred to a rider over the age of 50

- > Average claim being made is approximately \$6,000 which is trending upward
- > Only 7% of claims incurred are happening on event courses whilst competing, the rest are when training and horse handling activities
- > A high percentage of claims are coming from Queensland and New South Wales

Your policy key points are:

- > It will pay 85% of your income up to a maximum of \$600 per week for the Benefit Period of 52 Weeks after the waiting period of 14 days has passed
- > It has a Capital Benefit of \$60,000 for Adults and \$20,000 for Juniors
- > Household help benefit and student assistance covers 100% of expenses up to a maximum of \$200 per week for 26 weeks after the waiting period of 7 days has passed
- > Funeral expenses to the value of \$5,000
- > 100% of non Medicare medical expenses up to a maximum of \$1500
- > Additional covers outlined in the schedule

Personal Accident Insurance is an optional cover available to financial members of AERA. The annual cost is:

\$150 for Senior Members – \$39 for Junior Members

Preferential pricing on all insurance products for AERA

Support the Broker who supports Endurance Riding

As part of a generous sponsorship and membership services offering, SUREWISE have agreed to continue their brokering services to AERA's total membership base. Additionally they have agreed to facilitate access to a broad range of products all with **preferential pricing for our members**. In addition to this they will invest a percentage of the commission earn back into the Association.

This financial incentive for AERA could be quite lucrative so we encourage each affiliated club and member to support AERA and Newmarket Grandwest moving forward by giving them opportunity to discuss your individual insurance need.

The membership service product suite includes:
