DUAL AFFILIATION POLICY

To make things simpler for SAERA ride organisers and to encourage any VERA members who may be interested in attending SAERA events the SAERA SMC has put together the following policy for considering whether a SAERA ride is eligible for dual affiliation with VERA.

The policy provides that any ride that falls east of a North/South line drawn through Callington (approximately 230 kilometres from the border) can be automatically dual affiliated with VERA upon request directed to the SAERA SMC.

This policy encompasses a number of frequently utilised ride bases on the SAERA Calendar including:

- Waikerie
- Murray Bridge
- Callington
- Monarto
- Towitta
- Mil-Lel

VERA members are encouraged to approach their SMC to request for any of these rides to be dual affiliated by contacting the SAERA SMC through secretary@saera.asn.au
