

MILLEL
Marathon

2024

Ride the first day with you head.... BE SMART

Ride the second day with grit... BE STRONG

Ride the third day with your heart... BE INSPIRED

Welcome to the Mil Lel Marathon

South Australian Endurance Rider's Association and the Heinrich/ Bright Family from Meldana Arabians, proudly welcome you to the Mil lel Marathon.

We would like to acknowledge the traditional owners of this land that we ride and camp on. The Bungandidj people. We pay our respects to Elders past, present and emerging.

Running since 2011, we look forward to sharing our twelfth Mil Lel event with you. This is a special place for our family and we enjoy returning to our old stomping ground to bring you this event.

At Mil Lel we pride ourselves on creating a family event. We endeavour to run a ride that is inclusive of all ages and abilities. We hope that your participation can foster that ethos too.

So good luck, happy riding and we wish you every success for the 2024 Mil Lel Marathon!

Kind Regards

Team Meldana

SUNDAY: 20km – Green 4 Arrows, HR: 55

Ousley Best Managed Perpetual Award

Consistent with Rule 20.18, it is Mandatory that a Best Managed award be judged by the Head Veterinarian for a marathon ride. As such the Ousley trophy was created in the name of Harry and Michelle Ousley. Vet Harry and his wife Michelle have been long-time supporters of the annual Mil Lel ride.

The trophy is in the form of beautiful, locally crafted, redgum apple and is awarded to the horse and rider combination of the vet's choice. The Apple is representative of the Apple trees that line the road around the Mil Lel grounds. The fruit ripens around Easter time each year, fuelling both the horses and riders.

In the selection of the BM award the following should be considered.

- a) the condition of the horse at the final veterinary inspection, and
- b) the time taken to complete the course, and
- c) the horse's heart-rate recoveries during the ride, and
- d) the weight carried by the horse, and
- e) the relative or total absence of problems encountered during the ride, and
- f) the success with which the rider overcame any problems during the ride, and
- g) the skills displayed during the ride that made the ride the least strain on the horse and/or most promoted the horse's welfare to endure the ride.
